Direct From the Director...

Track Team... It was so *cool* to see our students out at the district track meet last week all decked out in their LBCS jerseys. Not only did we look good, we were good sports and great competitors. Congratulations to all our participating athletes.

Nature Bowl... On Monday our 2010 Nature Bowl team braved over 3 hours of cold and rain to compete against other area schools at the Placer Nature Center. They enthusiastically participated in six games and challenges that showcased their knowledge of our local environment. We were proud to have Meera Chakrabarti, Cole Whatley, Emily Super, Sammy Larsh, Zachary Super, Cameron Kite, and Sebastian Mathews representing LBCS! Many thanks to Mrs. Super for her great coaching! We hope to have both a 3rd/4th grade team AND a 5th/6th grade team next year!

Survey... Please make sure you fill out the LBCS survey. We want to know what you think!

Calendar... I will present our 2010-2011 calendar to the School Board tonight. You should be receiving the official calendar on Friday.

The end of the year... is fast approaching and I am just not ready! Oh my, our students have grown so much this year!

Take time to smell the roses...they are starting to bloom.
...Cindy

LBCS and Franklin Parking Lot

I'm sure by now you have seen the "NO PARKING IN THE RED ZONE" signs posted on campus. Thank you to those who are complying with the law.

Beginning last Monday, April 12th, vehicles not in compliance will be turned over to the CHP or the Placer County Sheriff's department. You will be contacted by them in writing regarding the violation.

Penalties are:

Section 22500.1 CVC	Parking in Fire Lane	\$35.00
10.12.100 PCC	Curb Markings Red	\$108.00

Please make every effort to park your vehicle in an available parking space if you are walking your child to class. If you are just dropping off, please make sure your child is "school ready" when you arrive.

Thank you for your cooperation.
