Direct From the Director...

STAR Testing...We've been very busy this week with the 2nd and 3rd grade STAR testing. The 3rd graders are done. Next week, our 4th and 5th graders will start their STAR Testing and the 2nd graders will finish up. Please make sure your student is starting their day with a good breakfast and a good night's sleep.

Talent Show...I want to invite all LBCS families and friends, to join our very talented students tomorrow evening at 6:30 for our second Annual Talent Show and Art Gallery.

Thank you...to our Brownie Troop for putting on such a fun and successful Father/Daughter dance that next year, we will need to find a larger venue. I heard a fun time was had by all.

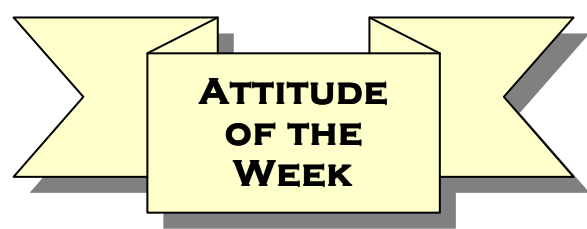

2010 Young Writer's Celebration...honored our own LBCS kindergarteners. Violet Ardoin, Ryan Sheehan, Michael Connolly, and Gracee Stark were able to share their writing with other kindergarteners from Placer County.

Congratulation to...Payton Montes for coming in 1st place for the 5th grade at the Annual Loomis District Geo Bee.

SSA Elections...the School Site Alliance will be holding elections during our Open house on May 27, please consider running for one of the three open positions. You will receive more information today from Ron Howard, current SSA President.

IB Informational Meeting...I look forward to seeing you at this meeting on **Monday, May 3rd at 6:00.** This meeting is for current families. I will be discussing what IB planners are, where we are in the process of being authorized, where we are in the MYP process, and the budget. I know everyone is busy, but I believe this is will be a worthwhile and informative meeting.

Green never looked so good!

In honor of Earth Day, PTC fell in love with these reusable, recyclable bags, and we thought you would also! Starting the week of May 3rd, an order form will go home with each student in their folders. It's the "million use" bag! Consider it as a travel, toy, beach, gift, file, book, project bag, etc. Our school will receive 55% of the profits! Look for the bags next week out on the fence or check them out at www.mixedbagdesigns.net. Saving the earth, one bag at a time...
