

MUSTANG WEEKLY

April 8, 2010

Loomis Basin Charter School

Popsicles on Sale Fridays at Lunch \$1.00

Direct From the Director...

What a beautiful day... I was able to get out and watch our students compete at their very first track meet of the season. They all looked great and did a wonderful job representing LBCS.

Upcoming Events... PTC has a Family Math Fair night planned for Wednesday, April 21st followed by an assembly on Thursday morning with Phil Tulga and Musical Fractions.

STAR Testing... 2nd, will be the first week in May.

Survey... Our annual SSA survey will be emailed out tomorrow. This is a 20-question survey that should take less than ten minutes. This survey is anonymous and your feed back is very important to us. Please take the time to let us know how you feel.

...Cindy

Kindergarten Orientation

April 15th @ 6:00 in the LBCS Multipurpose Room
PTC Used Uniform Sale for Kindergarteners
Starting at 5:15 in Amphitheater

Adopt a Classroom

Adopt-A-Classroom is a national, award-winning nonprofit organization supporting classroom teachers by helping them find funds for classroom items, projects, and supplies. Anyone may adopt a classroom for any amount over \$25 (per classroom). **Adopt-A-Classroom** is a 501(c)(3) tax-exempt organization and all contributions are tax deductible. Money that you contribute will go into an "e-wallet" account that teachers can use with online vendors affiliated with **Adopt-A-Classroom**. Teachers can then buy items like learning games, books, manipulatives, and other materials that help them create an engaging and effective learning environment. Donors will be informed of what was purchased with their donation money. Many organizations, like Hewlett Packard, work alongside this website and match the donations given. For example, if you donate \$100 and your company matches this amount, the teacher gets \$200 to use on classroom resources. What a great way to support your child, teacher and classroom. For more information visit <http://www.adoptaclassroom.org>. or contact Ms. Culhane at kculhane@loomis-usd.k12.ca.us

Last Day to Purchase Yearbooks

Friday, April 9th

Correction

PTC Board Meeting and Elections
Friday, April 23rd @ 2:00
Nominations due April 14th

April Science Docent

During the past few months in science we have been studying the body and its functions. Culminating our study, we will be dissecting cow eyes. Each grade level will have the opportunity to participate in a dissection to the degree that is age appropriate and comfortable. All of the cow eyes are preserved and non toxic. If you would like your child to **not** participate in the dissection OR if you can help with the dissection, please let your teacher know. There will be an alternative science activity available. If you have any questions please contact Kim Dietz at kimrun@surewest.net.

Used Books Due April 15th
