

MUSTANG WEEKLY

January 29, 2010

Loomis Basin Charter School

Direct From the Director...

Second World Language Meeting... Thank you to everyone who was able to attend our evening meeting on Wednesday. From my viewpoint, it was a very insightful and productive meeting. We will continue to meet to flush out the issue of a second world language. If you were not able to attend the meeting, there will be more meetings to come and all input will be welcomed.

Thank You 3rd parents... for the delicious brunch Friday morning. All my staff had full tummies and smiles on their faces. We appreciate your thoughtfulness and generosity.

If at all possible, get your children outside this weekend to run around. They have been cooped up and need to get out. I know we are expecting rain, so you might consider a mud football game or slip and slide in the rain! A hose works wonders for cleaning off the first layer. They will have a blast! You will have a blast! I promise you will make lifetime memories and everyone will be a little mellower.

"The world is mud-luscious and puddle-wonderful."

-- E.E. Cummings

Calling at the end of the day...

There has been a significant increase in the number of people calling at the end of the day. Please understand it is very difficult for us to reach the classes at the end of the day. Please take the time to make your child aware of special arrangements before school. We want our students to be safe and accounted for.

Thank you.

Parking Lot Safety

Concerns about our **afternoon pick-up** have been brought to our attention. Starting immediately, **please drive out through the Franklin parking lot** to give more room to cars entering our pick-up lane and parking lot.
