

MUSTANG WEEKLY

May 13, 2010

Loomis Basin Charter School

Direct From the Director...

Congratulations to Jenine Windeshausen... she is being honored by Valley Vision for her exceptional achievements in economic development! Valley Vision is an "action tank" that provides collaborative planning, objective problem solving, and impartial research and information for sound decision making. *How IB is this!*

With her award, Jenine is given \$5,000 to donate to a worthy cause. We are very excited to say LBCS will be the recipients of her generosity. Jenine has asked that the \$5000 goes to our science lab. **THANK YOU JENINE FOR BEING A MODEL CITIZEN WHO EMULATES THE IB PROFILE ATTRIBUTES AND THANK YOU FOR GENEROUS DONATION!**

CONGRATULATIONS.

Thank You... parents and students for the outpouring of love and accolades this week. My teachers and staff are overwhelmed. Mrs. Olson did a great job organizing all the appreciation events and I think we all gained a couple of pounds with all the great meals....again, **THANK YOU.**

At times our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us... Albert Schweitzer

Thank you to those who keep lighting my teachers' flames...you keep our school positive and engaging! ... *Cindy*

Principal for the Day

Mrs. Uptain will be taking a day off from her responsibilities as Principal on Wednesday, May 19th. Fortunately, we have Ashima and Shreya Kamra ready and willing to take her place as Principal.

Father/Daughter Dance was a huge Success...

Thanks to our LBCS Brownie troop we have a new projector for our MP Room. The purchase was made with money they earned from the Father/Daughter Dance. *Thank you*

Green never looked so good!

In honor of Earth Day, PTC fell in love with these reusable, recyclable bags, and we thought you would also! Starting the week of May 3rd, an order form will go home with each student in their folders. It's the "million use" bag! Consider it as a travel, toy, beach, gift, file, book, project bag, etc. Our school will receive 55% of the profits! Look for the bags next week out on the fence or check them out at www.mixedbagdesigns.net. Saving the earth, one bag at a time...
