

# MUSTANG WEEKLY

Loomis Basin Charter School September 3, 2009

**LBCS does have school on Tuesday, September 8th**

## Direct From the Director...

**Welcome...** I would like to welcome our two new Sombrero Time teachers Senora Mizani and Senortia Marinez.

**Thank you...** We now have garden boxes! Thanks to John Skarr, who built them for his Eagle Scout project. This was a great project and our students will enjoy them for years to come.

**Commitment:** *We are committed to giving the best to our students here at LBCS.* This week we start our enrichment programs, so that teachers may work on the IB planners. Our students will be going to Monart or Science Enrichment. This week I am doing the Science, because I miss teaching and I want to see exactly what types of experiments we can do in the time allotted. Our science enrichment will give students an opportunity to be exposed to different concepts and find the joy and magic science has to offer. This science time is enrichment, it is not meant to replace classroom science. I am committed to offering our student a balanced and challenging program.

*Have a great week...Cindy*

## Seeking homes and help....

Do you know of a home that would be perfect on the holiday home tour? Would you like to help plan this fun and worthwhile event?

You'll make new friends while benefiting our seven district schools.

Loomis Basin Holiday Home Tour

Saturday, December 5, 2009

Benefiting the Loomis Basin Education Foundation

& the children of the Loomis Union School District

Contact: Joyia Emard, Chairperson [emards@ncbb.net](mailto:emards@ncbb.net) or call 652-2115

**Emails...** We seem to be having issues sending group emails to AOL addresses. It appears AOL is rejecting emails that have more than four or five people in the CC list. If you have an AOL email you will need to put our email addresses in "accept mail from" category (or whatever AOL calls it). AOL seems to be using aggressive white listing, and if a customer doesn't pre-approve a return email address, it will bounce back. The teachers' and Tammy's distribution lists are having AOL email accounts bouncing back."

**PTC has  
Scrip in the Office**  
(for immediate purchase)  
Starbucks, Toys R Us,  
Home Depot,  
Chuck E. Cheese,  
Baskin Robbins,  
Jamba Juice and
