

# MUSTANG WEEKLY

Loomis Basin Charter School

August 27, 2009

## Direct From the Director...

- ❖ **Drive-thru Pick-Up Line...** One last request...if you are the parent of an older student and you are going through the drive-thru pick-up line, please come after 3:00, so that the kindergarten parents can get through the line first.
- ❖ **Back-to-School Night...** is tonight the goal of Back to School night is for the teachers to convey to parents the class expectations, programs, schedules, and curriculum. **This night is designed for parents and guardians only.** There will be no supervision available for students.
- ❖ **Uptain's Update/Coffee and Chatting...** I will be starting a new morning get-together for parents who would like sit down and chat with me about the school. This will be a time where you can ask me questions and we can talk educational philosophy. Uptain's Update will occur about every other month. Our first meeting will be Thursday, Sept. 17th at 8:10 AM in the multipurpose room. Please feel free to stop by and share. Also, I will be hosting three evening IB informational meetings for LBCS parents. These meetings will be informational by nature. As we grow into our IB school, I want to give parents the opportunity to learn with us. The first IB meeting will be Sept. 30th. These meeting are intended for current parents who want to better understand IB.
