**ATTITUDE OF
THE WEEK**

TOLERANCE

Direct From the Director...

IB Consultant's visit... We had a productive visit with our IB consultant. He was very impressed on our initiative and aggressive timeline. It was also noted that many of our IB planners looked like experienced IB teachers had created them. We are on well on our way to be completing our application B this spring.

Wow... have we been feeling very special lately! We've been treated to lots of good food. Thanks to the 5th grade families for lunch in October, the Moms in Touch for breakfast last week and then lunch again on Wednesday from the 4th grade families. It is all very much appreciated...can we get those recipes??

The kindergarteners and first graders... had their feast today. The second graders are making friendship soup tomorrow. Everyone is very excited about having a week off. We do have a great deal to be thankful for....great kids, great parents, great teachers, great staff and a great school!

We should all be thankful for those people who rekindle the inner spirit.

Albert Schweitzer

Thank you for all you do....have a wonderful week with your children....

Cindy
