

MUSTANG WEEKLY

October 15, 2009

Loomis Basin Charter School

Direct From the Director...

Health Week...A huge thank you to PTC, Amy Griffin, and all the parents who helped make our Health Week a huge success. I hope our students are taking this information and connecting it to their lives and talking to you about healthy living. Personally, I was blown away to hear there are 4 tablespoons of sugar in a lunchable. My son won't be eating those for lunch anymore!

Jog-a-thon...What better way to end our Health Week than with a jog-a-thon. Thank you Denise Foster, PTC and all the wonderful supporters of the jog-a-thon. Please come out and cheer on our students tomorrow morning. And, thank you for supporting our school!

MandaRUN...will be happening here, this Saturday. Please join us for a healthy walk or run. All students participating will be put in a drawing to have lunch with me! The Loomis Basin Educational Foundation has been very generous with their support for our school. Many of our LBCS students will be attending a concert at the Mondavi Center this year with a portion of the costs being offset by a grant from LBEF. I hope to see you on Saturday.

Lack of activity destroys the good condition of every human being, while movement and methodical physical exercise save it and preserve it. ~Plato

Preserve that body...and join me on Friday and Saturday!

Kindergarten 2010/2011 Registration

If you have an incoming Kindergartener for the 2010/11 school year, please turn in their registration forms to the office by November 5th. Forms are available on our website at www.loomischarter.org.

Lost and Found

Many new looking items of clothing are in our Lost and Found Bucket!!! We've hung them on the fence, we asked and asked the students...and the pile is still huge!! So we are giving it another week and then we are **going to donate all these clothes to a local shelter**. Please stop by our multipurpose room and check for yourself. It would be very sad if we gave away someone's favorite jacket.

Best solution is to **label** all outerwear clothing!!
