LBCS PTC NEWS - February 2009

SPRING AUCTION RESULTS 2010:

- Thanks to the fabulous parents, family and friends of LBCS our Annual Spring Fundraiser was tremendously successful. We had a ton of fun and raised over \$42,000 (to date and after most costs). These funds will help fund our arts and science programs, a future science lab, computers for classes and a plethora of other needs for our children. If you weren't able to join us this year please try and join us next year on March 12, 2011 at the Blue Goose for another great event.

USED BOOK SWAP

- Out with the old and in with the new - bring your used books to our Book Swap in April and take home "new" books in exchange. Details and dates to be arranged.
