

# SCHOOL SUPPLIES FOR 2010-2011

Do you want a real summer vacation with no worries about next year? Order your school supplies now and they will be waiting for your child on the first day of school! Just imagine a summer vacation without frantic trips to Target, Walmart, and Staples to get the best price on glue sticks, pencils, and erasers.

**Kindergarten through 6<sup>th</sup> Grade supplies are \$35**

6<sup>th</sup> Grade parents—We have not received a supply list from our 6<sup>th</sup> grade teachers (because we don't have 6<sup>th</sup> grade teachers yet). We will send out a supply order form as soon as we have a supply list and pricing.
