- II. Update from Cindy regarding the new volunteer hour proposal, question to the teachers regarding sweets in classroom, Spanish program communication: Cindy introduced the new volunteer hour proposal to the district board; no one had an issue with it. The topic will be an action item in June. Cindy had a talk with the teachers about sweets in the classroom. They discussed about the possibility of there being a list of approved food items that a parent can bring into the classroom for their Childs birthday. Nothing has been set in stone yet. The Spanish program was discussed, and there will probably be more assessments next year.
