- I. Role call: Cindy Uptain, Sarah Conover, Ron Howard, Jeannie Thompson, Tammy Consulo, Becca Lucas, Debbie Vanbreemen, Keri Davidson.
- II. Discussion of survey results:
 - Spirit-wear during the week** – The results were almost 50/50. We discussed the idea of coming up with a special day or a couple days during the month to allow students to wear their spirit wear. This opportunity will help promote the sale of the school spirit clothes.
 - Sugar and sweets on campus** – The school encourages birthdays to be celebrated in other ways that do not incorporate sweets. This item will be discussed again at the next SSA meeting.
 - Spanish program** – Discussed the Spanish program and addressed some of the parent concerns. Cindy will work on updating via the newsletter.
- III. Volunteer hours:

It was suggested to change the volunteer hours for next school year. The suggestion is 30 hours for families with one child and each additional child will add another 10 hours. Cindy will present this proposal to the school board.
- IV. Review of the parent contract for next year and handbook:

Parent contract - Other than possibly changing the volunteer time it was felt that the parent contract was clear.

Handbook – We did not get to this. This item will roll over for the next meeting.
- V. Next meeting: April 20th at 4:00pm
- VI. Last meeting: The last meeting will be in May and we will have the location be at the Pizza Factory in Loomis to celebrate a great first year at LBCS. More details to come.
