Ordering Scrip

To order scrip, navigate to the order page by clicking "Order Scrip" at the top of any page

ShopWithScrip has hundreds of different retail brands, so the order page organizes products by category. Some categories may have several pages of selections. To find a product, jump to the appropriate section, or enter all or part of the retailer name in the search box. You can also download a complete list of all products as a handy reference.

Select items and quantities on the worksheet, and press the "add to cart" button to add them to your shopping cart. Click the "check out" button when you have completed your selections. Review your order, and press the "finish" button to submit your order.

Finally, you will see an "order confirmation page". Print this order confirmation page, and submit it with your payment. This order confirmation page will also give you the opportunity to tell us how you would like to receive your order.

SEE BACK FOR "PRESTO-PAY" INSTRUCTIONS (TO PAY ONLINE)

If you choose to pay online, you will need to go to their "Presto-Pay" area and register your bank account.

They will then deposit two small credits (in cents) to your account. Once you see them credited to your account, you will go back to www.shopwithscrip.com and the Presto-Pay area and enter the specific amounts to verify your bank account.

Then you are ready to pay online.
