Hello Families,

Welcome to the 23-24 school year! As the new director, I am beyond excited to be at Loomis Basin Charter School! Our new motto for the school year is "World Size Hearts and World Class Minds." This school year we will focus on being globally educated citizens. For more information on our IB school, please visit the IB Home page on the LBCS website.

I would like to thank our maintenance and custodial crews for their tireless work over the summer. We have sparkling clean classrooms, a new seal-coat on our blacktop, a retaining wall with a fence on the playground, and a leveled gaga ball area. Coming soon, we will have backpack hooks for our PYP classrooms, a new wall to separate our art room and library and a new sink in the art room.

In addition to myself, we are welcoming eight new teachers to our staff this school year. I have met with each of them individually and they are a perfect fit for our school community. Please join me in welcoming them:
