

Welcome back Mustangs.

We are about to start meeting for our 2019-2020 LBCS Interact Club. If anyone is interested in learning more about this year's club please come to an informational meeting on Monday, October 7th at 3:15 P.M. in Mr. Carson's Room. We will have representatives from the Rotary club and our 2019-2020 President Owen Marovich there to give everyone interested some information for the upcoming year.

Some General information on what INTERACT is:

Interact is **Rotary** International's service club for young people ages 12 to 18. **Interact** clubs are sponsored by individual **Rotary** clubs, which provide support and guidance, but they are self-governing and self-supporting.

The **purpose of Interact** is to provide opportunity for young people to work together in a world fellowship dedicated to service and international understanding. The main goals of **Interact** are to recognize and develop constructive leadership and personal integrity.

There are more than 20,300 **Interact clubs** in 159 countries. However there are few middle school Interact Clubs, and LBCS has one of only 4 such clubs in California!

Each year, LBCS's Interact club members have to complete at least two community service projects, and at least two fundraisers. Through these efforts, Interactors develop lasting friendships and exposure to service. They develop leadership skills and personal integrity and benefit from demonstrating helpfulness and respect for others. They learn the value of individual responsibility and teamwork, while also learning about the hard work required to complete a project.

Thank you

Angelo Theodorou
Member, Placer Valley Sunrise Rotary Club
Liaison, LBCS Interact
