

## November 9<sup>th</sup> – November 20<sup>th</sup>

Some traditions are worth keeping no matter how different the year is... caring for others is one of those traditions. Being a caring person is part of who we are here at LBCS.

This year, LBCS has the opportunity to help some children who are receiving cancer treatments at the U.C. Davis Pediatric Clinic.

Please bring an unwrapped gift to school before November 20<sup>th</sup> and we will make sure the children receive the gifts in time for the Holidays.

Below are some suggestions of items to donate or you can just give what you would like to receive!
