Building Excellence in Education since 1856

Gordon T. Medd, Superintendent

Dear Parent or Guardian:

California law, Education Code Section 49452.8, now requires that your child have an oral health assessment (dental check-up) by June 15 in either kindergarten or first grade, whichever is his or her first year in public school. Assessments that have happened within the 12 months before your child enters school also meet this requirement. The law specifies that the assessment must be done by a licensed dentist or other licensed or registered dental health professional.

Please take the attached Oral Health Assessment/Waiver Request form to the dental office, as it will be needed for your child's check-up. If you cannot take your child for this required assessment, please indicate the reason for this in Section 3 of the form. You can get more copies of the necessary form at your child's school or online for the California Department of Education's Web site at http://www. Cde.ca.gov/ls/he/hn/. California law requires schools to maintain the privacy of students' health information. Your child's identity will not be associated with any report produced as a result of this requirement.

The following resources will help you find a dentist and complete this requirement for your child:

- Medi-Cal/Denti-Cal's toll free number or Web site can help you to find a dentist who
 takes Denti-Cal: 1-800-322-6384; http://www.denti-cal.ca.gov. For help enrolling your
 child in Medi-Cal/Denti-Cal, contact your local social service agency at www.dhcs.ca.gov.
- 2. Healthy Families' toll-free or Web site can help you to find a dentist who takes Healthy Families insurance or to find out if your child can enroll in the program: 1-800-880-5305.
- 3. For additional resources that may be helpful, contact the local public health department.

Remember, your child is not healthy and ready for school if he or she has poor dental health! Here is important advice to help your child stay healthy:

- Take your child to the dentist twice a year.
- Choose healthy foods for the entire family. Fresh foods are usually the healthiest foods.
- Brush teeth at least twice a day with toothpaste that contains fluoride.
- Limit candy and sweet drinks, such as punch or soda. Sweet drinks and candy contain a
 lot of sugar, which causes cavities and replaces important nutrients in your child's diet.
 Sweet drinks and candy also contribute to weight problems, which may lead to other
 diseases, such as diabetes. The les candy and sweet drinks, the better!

Baby teeth are very important. They are not just teeth that will fall out. Children need their teeth to eat properly, talk, smile, and feel good about themselves. Children with cavities may have difficulty eating, stop smiling, and have problems paying attention and learning at school. Tooth decay is an infection that does not heal and can be painful if left without treatment. If cavities are not treated, children can become sick enough to require emergency room treatment, and their adult teeth may be permanently damaged.

Many things influence a child's progress and success in school, including health. Children must be healthy to learn, and children with cavities are not healthy. Cavities are preventable, but they affect, more children than any other chronic disease.

If you have questions about the new oral health assessment requirement, please contact the Loomis Union School District Office at 916-652-1800.

Sincerely,

Gordon T. Medd Superintendent

Oral Health Assessment/Waiver Request Form

California law, Education Code Section 49452.8, now requires that your child have an oral health assessment in kindergarten or first grade, whichever is his or her first year of public school. The law specifies that the assessment must be performed by a licensed dentist or other licensed or registered dental health professional. Oral health assessments that have happened within the 12 months before your child enters school also meet this requirement. If you cannot take your child for this assessment, you may be excused from this requirement by filling out Section 3 of this form.

Section 1 To be completed by the parent or guardian
